(2) receives any remuneration out of Municipal Funds for services rendered to the Municipality; or

(3) has been proscribed from Government employment; or

Provided that the Local Government may exempt any person, or class of persons, from the restriction contained in clause (2) of this rule.

Obligatory qualifications of voters.

III.—No one shall be qualified to vote at Municipal elections unless he—

But every registered voter shall be entitled to give one vote in respect to each vacancy which is to be filled by a candidate for whom such voter is not debarred from voting under the next following Rule VI.

Method of election.

VI.—Of the elected members six shall be Hindús and four shall be Muhammadans. Hindu voters shall vote only for Hindu candidates; Muhammadan voters shall vote only for Muhammadan candidates. Voters who are neither Hindu nor Muhammadan may vote for any candidate. For the purposes of this rule "Hindu" includes "Sikh."

VII.—The Deputy Commissioner shall be President of the Committee *ex officio.*

VIII.—The Committee may elect two Vice-Presidents from among its members. No election of a Vice-President shall take effect until approved by the Deputy Commissioner. A Vice-President may be removed from that office by the Deputy Commissioner, with the sanction of the Commissioner.

X.—Elected members of the Committee shall hold office for three years.

XI.—Appointed members other than those appointed *ex officio* shall hold office for three years unless appointed for any shorter term.

XII.—The Deputy Commissioner, or such other officer as he may appoint for this purpose, shall at a convenient time, ordinarily not less than three weeks before the election, publish in each Municipality a notice setting forth the necessary qualifications of candidates and of electors, the number of candidates to be elected, the manner of voting and such other matters with reference to the election as it may be considered desirable for the public to know.

XIII.—(1). Candidates for election shall be proposed by registered electors not less than five in number who are qualified under Rule VI to vote for such member, who shall intimate their proposals to the Deputy Commissioner by letter addressed to him, or to such person as he may name, and signed by them. Such letter shall certify that the candidate is duly qualified and is prepared to serve on the Committee.

(2). If before the election is held an objection is taken to a candidate on the ground that he is ineligible under Rule I or II, the decision of the Deputy Commissioner thereon allowing or disallowing the candidature shall be final: Provided that if the objection is taken under clause (2) or clause (4) of Rule II, the Deputy Commissioner may permit the candidature to proceed and shall, through the usual channel, obtain under the said clause (2) the orders of the Local Government as to any exemption from the restrictions thereby imposed, or under the said clause (4) ascertain the opinion of the Local Government as to the effect of the alleged defect of character, and shall under Rule XIX, clause (6), annul the election of any elected candidate disqualified by the decision of Government thus elicited. The order of the Deputy Commissioner annulling the election under this rule shall be final.

XIV.—(1). Lists shall be prepared by the Tahsíldár or by such other person as the Deputy Commissioner may direct on or before the 1st February or such other date as may be fixed by the Local Government showing for the Municipality the number and names of all persons who are qualified voters under these rules, and the qualifications entitling them to vote.

(2). It shall not be necessary to prepare a new list every year, but on or before the 1st February, or on such date as may be fixed by the Local Government in each year, the list of the preceding year shall be revised and may be adopted with such alterations as may, in particular cases, be deemed necessary.

(3). As soon as the list of voters has been prepared, copies of the list shall be published in the Municipality.

XV.—(1). No objection to the entries in the list, and no application to be entered in the list of voters, shall be entertained unless it is preferred in writing within one month from the date of the annual publication of the list. The Deputy Commissioner, or such officer as he may appoint in this behalf, shall decide as to the validity of such objection or application, and his decision shall be final.

(2). The corrected list of voters, including any modifications made in accordance with the terms of clause (1) of this rule, shall be published on the 1st March in each year, or as soon after as may be practicable; and until the next annual revision no alterations shall be made therein except by the removal of the names of voters who have died, or by the insertion or removal of the names of voters added or expunged in consequence of applications or objections made and admitted as provided in clause (1), but not disposed of prior to the publication of the list as corrected.

XVI.—When the revised lists have been prepared, and the objections, if any, disposed of, a certified extract, under the signature of the Tahsíldár, shall be given in the annexed form to each qualified voter.

These certified extracts or voters' certificates must be presented at the time of the election by the voters, and no person shall vote who does not present such certificate.

XVII.—If the number of qualified candidates duly proposed under Rule XIII exceeds the number of vacancies, a poll shall be taken: otherwise such candidates shall be deemed to be elected.

XVIII.—(1). When a poll is held, votes shall be given in public, and before such officer as the Deputy Commissioner may empower to receive them, at some convenient place or places within the limits of the Municipality.

(2). No objection shall be allowed to the vote of any registered elector except on the ground of personation, and such an objection must be made by one of the candidates, his agents, or any registered elector, or by the presiding officer himself at the time the vote is tendered.

(3). The presiding officer shall record in writing the nature of the objection, the reply of the voter, and the final order and reason. The order shall be final as regards the acceptance of the vote tendered.

(4). If the presiding officer cannot dispose of the objection before the time fixed for the closing of the poll, and if the acceptance or non-acceptance of the vote affects the result of the election, this result shall not be announced until the objection has been decided.

XIX.—(1). As soon after the close of the poll as may be, the result of the voting shall be published under the authority of the Deputy Commissioner.

(2). The qualified candidate or candidates who have the largest number of votes shall be elected.

(3). In the case of two candidates for a single vacancy or for the last of several vacancies polling an equal number of votes, the senior in years shall be deemed to be elected.

(4). All objections to the return of any candidate must be given in writing to the Deputy Commissioner by one of the candidates within one week from the announcement of the result of the election.

(5). The Deputy Commissioner may decline to make any enquiry regarding any such objections unless the objector gives security for the costs of the enquiry, and on the petitioner failing to do so, may reject the petition.

(6). At the close of the enquiry the Deputy Commissioner shall pass orders confirming or annulling the election and directing what portion of the costs, the amount of which shall be duly stated in the order, shall be borne by the objector.

(7). An appeal from any order passed under this rule (other than an order passed also under Rule XIII, clause (2), shall lie to the Commissioner, whose decision shall be final.

XX.—No charge of any kind shall be made for the voters' certificate, or for any other document prepared in connection with the elections, or for permission to vote.

10. (*a*). Lists shall be prepared by the Tahsíldárs on or before the 1st October in each year, in which a general election is to be held, showing for each village the number and names of all persons who are qualified voters under these rules and the amount of land revenue and local rate paid by them.

(*b*). A revised list of voters shall be published on the 1st November in each year in which a general election is to be held or as soon after as may be convenient, and until the next revision no alterations shall be made therein except by the removal of the names of voters who have died or by the insertion or removal of the names of voters added or expunged in consequence of applications or objections made and admitted as provided in clause (*a*), but not disposed of prior to the publication of the list as corrected.

12. When the revised list is prepared and the objections, if any, disposed of, a certified extract, under the signature of the Tahsíldár, shall be given in the annexed form to each voter. These certified extracts or voters' certificates must be presented at the time of election by the voters, and no person shall vote who does not present such certificate.

(*c*). The presiding officer shall record in writing the nature of the objection, the reply of the voter, and the final order and reasons. The order shall be final as regards the acceptance or non-acceptance of the vote tendered.

(*d*). If the presiding officer cannot dispose of the objection before the time fixed for the closing of the poll, and if the acceptance or non-acceptance of the vote affects the result of the election, this result shall not be announced until the objection has been decided.

16. As soon after the close of the poll as may be, the result of the voting shall be published under the authority of the Deputy Commissioner.

Result of election.

17. (*a*). The candidate who has the largest number of votes in the Police Station shall be elected member for the Police Station.

1. In these rules "Committee" means a Committee appointed under Section 211 (*d*) of the Punjab Municipal Act.

2. The income of the Committee shall be formed into a Town Fund, which may be kept in a Government Treasury or with any Banker who gives proper security for repayment on demand, and who is approved by the Deputy Commissioner.

3. A Pass Book shall be maintained for all money paid into or withdrawn from the Town Fund.
